

## About FV Foods & Mhel's

“There is definitely no place like home.”

That is the mission of FV Foods-to bring you quality sweets, breads and pastries that caters to your distinctive taste that makes you feel at home. After all, the homesickness and cravings of fellow Filipinos started this wonderful business! Your thoughtfulness of bringing pasalubong (treats) to your loved ones is an undeniable trademark of our heritage that stands out in our multicultural community. And who is more capable of delivering you these delights other than the man who specialized in the “Sweets and Pasalubong” industry of Quezon province- Melchor Galeon. He is the former president of the Sariaya Tourism Council and proprietor of the very famous Galeon’s Bakery and House of Pasalubong. Paired with the diligence, leadership and zest for business of Flor Vendiola, we prospered in our endeavors. Her curiosity started the wheels rolling and now we’re reaching out to our community. The harmony that our proprietors share is clearly reflected in the fine array of our goods. From our humble beginnings in year 2000 to our expansion in December 2001, we continue to innovate and improve our products and services to suit your every need. As a proof, we have introduced our line of Mhel’s products which are bake goods such as breads and cakes to complement our previous FV Foods kakanin (sweets and desserts) to give you plenty of options to choose from!
